Summer 2020

Dear Swim Club Members,

Happy Summer! We have good news, Hidden Hollow and Knowlton Swim Clubs will be opening this summer! Management has been working diligently in preparing guidelines to offer you and your family a safe environment while visiting the clubs. Both clubs will be operating **VERY DIFFERENTLY** this year to remain in compliance with the CDC. Management has implemented the following guidelines for this summer:

- We will limit the number of people permitted in the facility at any one time to allow for social distancing and to follow CDC Guidelines.
- Due to the limited numbers permitted at one time there may be times you will need to wait for a spot to open at the facility.
- Parents / Caregivers (not lifeguards) are responsible for ensuring children social distance during the time at the clubs; both in and out of the pool. Members will need to regulate themselves.
- All members age 2 and older will be required to wear a mask to enter the facility. Obviously, you will not be required to wear it in the pool or while you are social distancing.
- You will have to provide your own chairs. Our tables and chairs will be put into storage for the season.
- Showers will be closed. Please use bathrooms only when necessary. It would be preferred for members to wear bathing suits to and from the clubs.
- Members may bring guests to the pool only after 5 pm if we are not at capacity. Credit card payment only. 5-visit guest cards can be pre-purchased in advance at the Farm Market Office.
- All Special Events are cancelled. No Birthday Parties or other gathering events will be permitted.
- Swim & Dive Teams and Lessons are cancelled. As a replacement we hope to offer swim & dive programs in the mornings. No inter-club competitions will be held.
- You will need to sign up in advance to attend on holidays to limit the crowd size. We will provide more information about this at a later date.

Our target opening date for both clubs will be Saturday, June 27th. The lap pool at Hidden Hollow may not open until approx. July 1st due to the halted construction for two months during the lockdown.

Please find on the website the **revised 2020 membership materials**. To register, please complete both sides of the Registration Form as well as the COVID Agreement; all fields are required. Due to insurance regulations, all members must sign the Participant Agreement and the COVID Agreement; a parent or guardian must also sign both forms on behalf of each member under 18 years of age. **No members will be permitted to use the clubs unless both the Participant Agreement & COVID Agreement forms are signed.**

Looking forward to seeing you at the pool!

Swimcerely,

Linvilla, Hidden Hollow & Knowlton Management

Please review our swim club rules on the reverse side of this letter.
